Because flower, tree, and gemstone essences are vibrational in nature, they impact the *subtle energy field*. They have a subtle yet profound effect on our emotions, intentions & *consciousness*.

The mists are intended to awaken us to our divinity and the deep knowledge that we are loved. That love is at the heart of all that is.
An offering of Divine love. **BELOVED.**

Through the loving embrace of all that is, may we be guided in ever expanding peace & presence.

PRESENCE: grace, empowerment, faith, connection, trust, wisdom, freedom
INGREDIENTS: night blooming jasmine, jatamansi, himalayan cinnamon, utah juniper, trailing blackberry & ruby - *divinely formulated with love*

The *subtle energy bodies*, or *aura*, surrounds the physical body & connects to the meridian pathways & the chakra system. The aura holds the blue print for the physical body. By bringing balance & health to the subtle energies, the physical body moves back into *alignment*.

Your true essence is deep and unchanging, sacred and eternal.
Embrace the joy of being you. You have within you *all that is.*

Use ritually with loving intention.
Mist your aura, yoga mat, garden, desk, meditation
space, journal, pillow, prayer table, & loved ones.

Close your eyes and breathe. *Feel.* That is your compass. You have perfect clarity in your tranquility.

Through the graceful embodiment of our divinity, may we awaken to the magic and joy of self-love.

ASCENSION: play, magic, self-love, enlightenment, embodiment, radiant joy

INGREDIENTS: white pond lily, spotted orchid, jasper, opal, emerald, lemon verbena, south african geranium, petitgrain, ginger, ylang ylang, neroli, tagetes
